Re: Olympic Commercial & Residential Repairs, LLC, d/b/a Olympic Construction

To Whom It May Concern:

I had the pleasure of working with Olympic Construction on a number of projects. This company is organized, reliable, efficient and willing to do whatever is needed to get a particular task finished. Olympic Construction is well-presented and able to work both independently and as part of a team.

I believe that Olympic Construction will make a valuable addition to any organization that they may join. I strongly recommend Olympic Construction without reservation. I am sure that you will be more than satisfied with their performance.

Respectfully,
